## **What to do:**

These tours are informational scavenger hunts that take students through the museum in search of answers to a set of questions based on grade level. Advanced reservations are required. To request this program, please complete a registration form.

- Changing Technology of Flight:
- Grades 9-12
- Time: 2 hours +

Discover how aerospace technology has changed over time. Includes many historical references related to flight. Multiple choice, comparison/contrast and fill in the blank.

The tours take between one and two hours, depending on your selection and the size of your group. Be sure to allow extra time for lunch, visiting the gift shop, restroom breaks, viewing an IMAX film or riding the Morphis simulator.

## IMAX Films: (Discounted Rates for Groups:

Child (3-7 yrs)	\$4.00	\$7.00
Membership (Member +1 guest)	\$5.50	\$10.00
Group (20 + people)	\$5.75	\$10.50

Audiences will blast off alongside the Atlantis STS-125 crew, witness up-close some of the most challenging spacewalks ever performed and experience firsthand Hubble's awe-inspiring imagery from the heart of the Orion Nebula and our Milky Way to the edge of the observable universe.

Recounting the amazing journey of the most important scientific instrument since Galileo's original telescope, *Hubble* will immerse moviegoers in the great wonders and astounding beauty of our universe. The film will offer an inspiring and unique look into the Hubble Space Telescope's legacy and highlight its profound impact on the way we view the universe and ourselves.

*Hubble* is shown Monday- Friday at 12 noon & 3 p.m.  
Saturday and Sunday at 12 noon, 3 p.m. and 5 p.m.

Click here to visit  
the IMAX Hubble Website.  
Educational packet, trailer  
and other information  
is available

**FIGHTER  
PILOT**  
*Operation Red Flag*

Follow American Fighter Pilot John Stratton as he makes his way through "Red Flag" the most complex high-tech military exercise conducted anywhere in the world. Red Flag gathers the U S Air Force and its allies for two weeks of training that is as intense and demanding as actual combat. Red Flag is more than a top gun school. It is a full integrated war conditions exercise that uses every kind of military aircraft and asset from fighters, tankers and bombers to helicopters, satellites, airlifters and unmanned aircraft.

Shown daily at 1 p.m. and 4 p.m..

*The Virtual Illusion of Reality"*

Located in the Modern Flight hangar, the Morphis Movie Ride consists of a futuristic capsule approximately 22 feet in length, capable of accommodating 14 passengers in contoured seats. You enter Morphis from a ramp then through its open gull wing doors. Once inside the doors close, leaving the outside world behind. The capsule is essentially a small, moving theater, with films lasting about four minutes each. The entire Morphis capsule rotates and gyrates on hydraulic lifts giving the passengers the sensation of actually flying along. **Current Shows**

F-18	Join the pilot of an F-18F Super Hornet on an exciting flight featuring a catapult launch from an aircraft carrier, low and fast maneuvers over mountains and canyons, and finishing with an incredible landing back on the carrier deck. Actual footage used
Space Walk	Using computer generated imagery explore the International Space Station from the outside on a "Space Walk" with an astronaut partner. With your rocket pack, leave the tether line behind and catch a rare glimpse of the many complex modules and labs as they would appear after completion.
Plus	Other rides, such as race cars and roller coasters are also available. Just ask our ride operator.

ADULT \$4.00 STUDENT (8 yr-college)  
 \$3.50 CHILD (3-7 yrs)  
 \$3.00 SENIOR (60 yrs+)  
 \$3.75 MEMBER

\$3.50 Group & School Tour rates available for 20 + people
